

# PRUTTON PROFIT PRODUCERS

## ACE ALL-STEEL SAW VISE

Strongest, lightest saw vise made. 25% stronger in clamping action. Rackproof, due to its being

pressed out from one solid piece of steel. Exclusive feature deadens all rasping and vibrating noise. Blue Enamel finish, bright parts in Cadmium. Individually packed—2 doz. to carton.

## GARAGE DOOR BRACE

Squares up sagging doors. Steel turnbuckle gives much greater strength than ordinary braces. 67 in. long overall. Easily attached. Cadmium plated. Packed  $\frac{1}{2}$  doz. in carton, with screws. Surprisingly low priced.

## CARPENTER PLANES

Very popular wherever shown. Holds edge better, due to its polished tool steel

knob and handle. Individually packed—1 doz. to carton.
